

Curriculum Vitae

Name: Reyhaneh

Family name: Abri

Gender: Female

Marital Status: Married

Place of Birth: Tabriz, East Azarbaijan, Iran

Date of Birth: 1982

Citizenship: Iranian

Address: Department of Anesthesiology, Alzahra Hospital, South Artesh Street, Tabriz, Iran.

Office Phone No: +98 413 5539163

Fax: +98 4133341994

Mobile : +989144065948

E-mail: re.abri@tbzmed.ac.ir
reyhane.abri@gmail.com

Languages and degree of proficiency:

1. Persian: full
2. Turkish: full
3. English: Good
4. Arabic: Moderate

Education:

- 1- Obstetric and gynecology anesthesia and ultrasound-guided nerve blocks and labor analgesia course, department of anesthesiology, Cerrahpasa Faculty of Medicine, Istanbul University, Istanbul, Turkey, 2018.
- 2- Board Certified in Anesthesiology, Tabriz University of Medical Science, Tabriz, Iran, 2014.
- 3- General Practice, Islamic Azad University. Tabriz, Iran, 2008.

Position:

Assistant professor of Anesthesiology, Department of Anesthesiology, Tabriz University of Medical Sciences, Tabriz, Iran, June 2017, up to now.

Membership:

- 1- Iranian Medical Council
- 2- Iranian Society of Anesthesiologists

Teaching Experiences:

- 1- Anesthesiology residents, Faculty of Medicine, Tabriz University of Medical Sciences, Iran.
- 2- Anesthesiology, pediatrics, ENT, cardiology and physiotherapy residents, Airway management workshop, Faculty of Medicine, Tabriz University of - Medical Sciences, Tabriz. Iran.
- 3- Medical students, Faculty Medicine, Tabriz University of Medical Sciences, Tabriz, Iran.

4- Pain management techniques, Faculty of Paramedics, Tabriz University of Medical Sciences.

5- Obstetric Anesthesia and Labor Analgesia, Faculty of Nursing-Midwifery, Tabriz University of Medical Sciences.

Thesis in process:

Supervisor for MD degree thesis as below:

1- Effect of prophylactic intravenous ephedrine on fetal heart rate in emergency cesarean delivery due to fetal bradycardia

2- Comparison of Pendant versus Traditional Sitting Position for success rate of spinal anesthesia with sprotte needle on obese partiuents undergoing cesarean delivery

3- A comparison of the effect of Ringer Lactate versus sodium chloride 0.9% on maternal and neonatal acid- base state in elective cesarean delivery

Advisor for MD degree thesis as below:

1- Effect of Infusion of Oxytocin and Calcium chloride Combination on Blood loss during Abdominal Myomectomy

2- Use of Squitting Position for Facilitating of Spinal Block Performance in Patients undergoing Cesarean Delivery

3- Effect of Pre-loading of Colloid-Crystalloid Combination on Maternal Hemodynamic Status Following Spinal Anesthesia for Cesarean Delivery

4- Predictive Value of Airway Preoperative Examination in Recognition of Difficult Intubation in Diabetic Patients undergoing Gynecologic Surgery

5- Evaluation of analgesic quality and patients satisfaction of pregnant women under controlled intravenous analgesia with remifentanil and comparing it with patient controlled epidural analgesia in labor at Tabriz Alzahra hospital

Publications:

1- Khosro Kolahdouzan, Mahmood Eydi, Hassan Mohammadipour Anvari, Samad EJ Golzari, **Reyhaneh Abri**, Morteza Ghojazadeh, Seyed Hossein Ojaghihaghghi. Comparing the Efficacy of Intravenous Acetaminophen and Intravenous Meperidine in Pain Relief After Outpatient Urological Surgery. *Anesthesiology and Pain Medicine*. 2014;4(5):1-5.

2- Masoud Naderpour, Yalda Jabbari Moghaddam, Mehdi Banaei, Kasra Tavasoli, **Reyhaneh Abri**, Mahin Seyed Hejazi. Evaluation of volatile and intravenous anesthetics effects on the hemodynamic state in children undergoing cochlear implant surgery. *International Journal of Current Research and Academic Review*. 2016;4(3):220-225.

3- Simin Atash Khoie , **Reyhaneh Abri***, Bahman Naghipour, Pouya Hatami Marandi, Mohammad Taher Fazeli Danesh. Effect of Glucose Containing Crystalloid Infusion on Maternal Hemodynamic Status After Spinal Anesthesia for Cesarean Section. *Anesthesiology and Pain Medicine*. 2018(submitted)

Presentations:

Mohsen Amjadi, MohammadReza Roshandel, **Reyhaneh Abri**. Impact of Pyleocalyceal Anatomy on Stone-free Rates after Percutaneous Nephrolithotomy (PNL). 1st International UroAnatomy Congress of the International Young Urologists Association, Izmir, Turkey. June 14 to 16, 2013.

Work experience:

1- Working in Tabriz Blood Transfusion Organization as a doctor of donors, 2008-2009.

2- Anesthesiologist and head of operating room in Malekan Farabi hospital, 2014-2015.

3- Teaching of anesthesiology residents in Alzahra hospital, May 2017 up to now.
