

Curriculum vitae (CV)

Dr.Mohammad Bagher Hosseini

Update: 28 December 2012

Contact Detail:

Address1: Pediatric Department, Alzahra Teaching Hospital of Tabriz,
Artesh Street, Tabriz, IRAN

Address2(Office): International Relation Office of Tabriz University of
Medical Science, No 2 Central Building, Daneshgah St ,Tabriz,51664
IRAN.

Tel: +984115539161
Tel (Office) + 984113341249
Fax: +984115566449
E-mail: Hosseini_mb@yahoo.com
Hossainm@tbzmed.ac.ir
[IRO. Tbzmed.ac.ir](mailto:IRO.Tbzmed.ac.ir)

Education:

1. General Medicine, Kerman University of Medical Sciences Kerman, IRAN, 1986–1993.
2. Board certified in Pediatrics, Kerman Darman Teaching Hospital, Kerman University of Medical Science, Kerman, IRAN, 1997 –2000.
3. Board certified in Neonatal Perinatal Medicine, Amirkola Teaching Hospital, Babul, IRAN, 2002-2004.

Position:

1. Neonatal Resuscitation Program Instructor, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN.(From2000 until now)
2. National Instructor of Kangaroo Care of Neonatal Health Office of Ministry Of Health and Education (MOHE) of IRI .(From2007 until now)

3. Associate professor of Neonatology, Alzahra Teaching Hospital of Tabriz, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN.(From2000 until now)
4. Member of board of Directors of Iranian society Of Neonatology (2010-2012)
5. Associate professor of Neonatology, Pediatric Teaching Hospital, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN.
6. Director of Neonatal ward and NICU of, Alzahra Teaching Hospital of Tabriz
7. Director of Perinatal and Neonatal Regionalization Committee in East Azerbaijan of IRAN.
8. Member of Maternal and neonatal health Committee of East Azerbaijan , Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN. From2004
9. Consultant of Neonatal Health Office of Ministry Of Health and Education (MOHE) of IRI. From2005
10. Director of international relation office of Tabriz University of Medical Science, Tabriz, IRAN.(From 2011 Until now)

Practice:

- 1- Working as general practitioner, 1993-1996 in Razmian Public Health Center Ghazvine, IRAN.
2. Working as general pediatrician, 2000-2004 in Garmsar hospital, Semnan University of Medical Science, IRAN.
3. Working as general pediatrician, 2000-2004 in Seidalshohada Medical Center, Tehran, IRAN.

4- Working as Assistant professor of Neonatology, Alzahra Teaching Hospital of Tabriz, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN.(From 2000 until 2012)

5- Working as Associate professor of Neonatology, Alzahra Teaching Hospital of Tabriz, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN.(From2012 until now)

6-working as Director of International Relation Office of Tabriz University of Medical Science, from 2011, Tabriz, IRAN.

7- Working as Director of Neonatal ward and NICU of, Alzahra Teaching Hospital of Tabriz, from 2006 Tabriz, IRAN.

8- Working as Director of Perinatal and Neonatal Regionalization Committee in East Azerbaijan of IRAN from 2006 Tabriz, IRAN.

9- Working as Member of board of Directors of Iranian society Of Neonatology(2010-2013), Tehran, IRAN

Honors and Awards :

1. **National Educational** 3 th Shahid Motahary Award2009, for making Cleft Lip and Cleft Palate For CME program for specialists and General practitioners (software)
2. **Provincial Award** By Insurance systems, for the Best Physician in Practice in East Azerbaijan Province .2010

Teaching Experiences:

1. Medical students, Faculty of Medicine, Tabriz University of Medical sciences, Tabriz, IRAN, since 2004 until now.
2. Pediatric Residents, Faculty of Medicine, Tabriz University of Medical Sciences, Tabriz, IRAN, since 2004 until now.
3. Neonatal and perinatal Fellowships, Faculty of Medicine, Tabriz University of Medical Science, Tabriz, IRAN. Since 2009 until now.
4. Msc Nursing of Neonatal Intensive Care , Faculty of Nursing and Midwifery, Tabriz University of Medical Science, Tabriz, IRAN. Since 2008 until now.

5. Pediatrician course of Neonatology (Perinatal Continuum Education Program), Alzahra Teaching Hospital of Tabriz, Medicine Faculty, Tabriz University of Medical Science, Tabriz, IRAN. Since 2005 until now.
6. Nursing course of Neonatology , Perinatal Continuum Education Program)for nursing staff , Alzahra Teaching Hospital of Tabriz, Medicine Faculty, Tabriz University of Medical Science, Tabriz, IRAN. Since 2005 until now.

Professional experiences:

1. Establishing subspecialty of "neonatal Perinatal Fellowship training "in Tabriz University of Medical University of Medical Sciences as the first subspecialty in Pediatric group of TUOMS.
2. Implementation of Regionalaoization of Perinatal and Neonatal Program in East Azerbaijan, Tabriz University of Medical Science, Tabriz, IRAN. Since 2005 until now.
3. Designing and Implementation of Iranian Neonatal Emergency Transport System (INETS) in East Azerbaijan, Tabriz University of Medical Science, Tabriz, IRAN. since 2010 until now
4. Designing and Supervising of Neonatal Intensive Care Unit(NICU) and Neonatal ward of, Pediatric Teaching Hospital of Tabriz, 2006 Tabriz, IRAN

ABSTRACT – ORAL PRESENTATIONS

1-**Hosseini MB** ,Heidarzadeh m , Fayazii A .The comparison of 2 and 3 bolus feeding in prognosis of Very Low Birth preterm infants. Annual congress of Society of pediatrics & 29 th memorial congress of prof. Dr.Garib, Advances in pediatrics. 19-23April2008. Tehran. Iran

2- Amirshahi M , Ivanbagha R, **Hosseini MB** .A Survey about factors of Discontinuation in Feeding Mothers milk to preterm infants in Alzahra

Educational-medical center, tabriz2006.. Iranian Feeding congress of infants and pediatrics, 23-24Jul2008. Mashhad, Iran

Thesis Supervision

- 1- Evaluation Of Dehydration and Hybernatermia in Neonates Admitted to Tabriz Children's Hospital. By tahmineh Farhangmehr, 2007 **(For MD degree)**.
- 2- Surfactant therapy and nasal continues positive airway pressure for less than 32 weeks preterm newborns with respiratory distress syndrome. By Abolfaz Safaralizadeh, 2007 **(For specialty in pediatrics)**.
- 3- The predictive value of amniotic fluid lamellar body count in easy and rapid evaluation of fetal lung maturity. By Ali Golzar, 2008 **(For specialty in pediatrics)**.
- 4- Evaluation of the accuracy of End tidal Co2 monitoring (capnography) in neonates with Respiratory Distress Syndrome under mechanical ventilation. By Narges Afshar, 2007 **(For specialty in pediatrics)**.
- 5- Evaluation of prophylactic Antibiotic in pregnancies complicated with PPRPM on prolongation of pregnancy and outcome of neonates. By Mehri Azar Fakhraii. 2006 **(For MD degree)**.
- 6- A Survey about factors of Discontinuation in Feeding Mothers milk to preterm infants in Alzahra Educational-medical center, tabriz 2006. By Mehrbanoo Amirshahi 2007 **(For Master of science Midwifery)**

- 7- The comparison between induction effect with pulsatile and continuous administration on outcome of pregnancy in pregnant women referring to Tabriz 29 Bahman Hospital in 2005. By Vahideh Firozan 2007(**For Master of science Midwifery**)
- 8- Assessment validity of Transcutaneous bilirubinometry (Bilichek) and spectrophotometric methods in measurement of total serum bilirubin of neonates. By Mirjalil Maleki ,2008 (**For MD degree**)
- 9- The comparison of 2 and 3 bolus feeding in prognosis of Very Low Birth preterm infants. By Afshin Fayazii, 2007 (**For specialty in pediatrics**).
- 10- Comparison of two methods of Nasal Continuous positive Air way Pressure (Under water Bubble versus Medine device) in preterm infants with Respiratory Distress Syndrome by Masomeh Balilla2010 by Masomeh Balila (**For subspecialty in neonatal Perinatal Fellowship**).
- 11- Evaluation of massage on physiologic parameters of preterm infants under nasal CPAP by Ajodanian 2010 BY Najmeh Ajodanian (**For Master of science of neonatal nursing care**)
- 12- Evaluation Noise Levels In a Neonatal Intensive Care Unit in The Alzahra Teaching Hospital By Nasin Sadat Alavii(**For Master of science of neonatal nursing care**)
- 13- Head Cooling for Neuroprotection in Neonates ≥ 35 weeks gestational age with Hypoxic Ischemic Encephalopathy (HIE) By Dr. Asgharii (**For specialty in pediatrics**)
- 14- Outcome of peripherally inserted central catheter (PICC) versus peripherally conulation (PC) in very low birth weight (VLBW) infants. By Dr.Safary (**For subspecialty in neonatal Perinatal Fellowship**).
- 15- Oral Erythropoietin protecting effects against necrotizing enterocolitis of very low birth weight infants By Dr.Azampour (**For subspecialty in neonatal Perinatal Fellowship**).
